TABLE OF CORRESPONDENCES CYRILLIC - ROMAN BGN/PCGN 2000 Agreement

Standard place-names are based on Uzbek Roman-alphabet place-name spellings found in official Uzbek publications. When Uzbek Roman-alphabet spellings are not available, the table of correspondences relating Uzbek Cyrillic to Uzbek Roman is used to convert Uzbek Cyrillic spellings. The table of correspondences supersedes the BGN/PCGN 1979 romanization system for Uzbek.
